ATTORNEY'S STATEMENT

Dear Sir,

Applicant respectfully petitions to revive this application, whose abandonment was unavoidable or at least unintentional.

Applicant's attorney was unaware that a second office action had been issued, until receiving a telephone call last week from the Examiner. The entire period of the delay was unintentional. Applicant's attorney has, at the earliest possible opportunity after returning from business travel, retrieved the office action from the USPTO PAIR website and written the attached Response and Amendment.

Applicant's attorney is unfamiliar with the difference between unavoidable and unintentional abandonment, and has, therefore, submitted both Petitions in the alternative, as well as the larger fee. Please grant the Petition which is appropriate for this situation, and charge the appropriate fee.

Docket: ICN001
